KFS/DDH/01/03/2020

21st April 2020

Our Ref:

Date.....20.....

To Ali Bidders,

ADDENDUM 1

TENDER NO. KFS/DDH/01/03/2020- DRY DOCKING OF MV HARAMBEE (PHASE 1 - SUPERSTRUCTURE REPAIR WORKS)

Reference is made to the above named tender.

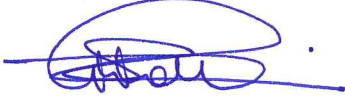

Kenya Ferry Services Ltd issues clarifications following requests by prospective bidders as follows;

	Clarification sought	Procuring entity's response
1.	Since all works on the works on this tender can be done afloat or in any other dock facilities, we are requesting you to revise the mandatory requirements clause (h) to allow bidders to demonstrate their dock facility accommodating a 60M vessel or any other facilities that can handle this size of a vessel for these afloat works to be carried out. We are kindly requesting for this revision for clarity and or certainty.	The word dock as used under mandatory requirements clause 1 (h) of the evaluation criteria refers to space adjacent to the sea used for repair of ships, which can accommodate a vessel of 60 meters length and has all the necessary safety features and equipment to enable performance of the stated superstructure repair woks.
2.	We kindly request that you extend the closing date by one week due to the business slowdown and some shutdowns affecting our suppliers due to the current worldwide disease outbreak.	Deadline for submission for this tender is hereby extended to 10.00 AM on 7th May 2020.

All other conditions remain as stated in the tender.

Yours Faithfully,

For: KENYA FERRY SERVICES LTD
